

2024 IDEAS & INSPIRATION!

Community Enrichment Grants

Up to \$1,000 is available for community groups in the Great Southern, to deliver an activity, event, or program for their community.

Activities can be a one-off event or over several sessions and ideally meet our Communities for Children objectives of:

- Building healthy young families
- Supporting families and parents
- Early learning
- School transition, and
- Creating strong child-friendly communities.

Activities should aim to support children and their families, increase community connections, and raise awareness of support services in the Great Southern region.
